Stellarnet Rebel

Welcome to Asteria, a corporate-owned, deep-space colony populated with refugees, criminals and obsessive online gamers. Genny ORiordan has shifted in from Earth determined to find a story that will break her blog into the Stellarnet Top 100, and even better - expose the degradation of the colonys denizens. Duin is an alien - a Glin - a hero of a past revolution against the Glin royal family, yet branded a terrorist. Duin speaks every day in the Asteria market, hoping to spur humans to aid his home world, which has been overtaken by the evil, buglike Tikati. When Genny and Duin meet, what begins with a blog post becomes a dangerous web of passion and politics as they struggle to survive not only a war but the darker side of humanity...
