

Without Ceasing

When you pray, have you ever been at a loss for words? Sometimes it is hard to find the right words to say or to know what to pray about when faced with difficult situations. With those difficulties in mind, author Nolen Embry-Bailey's *Without Ceasing* offers a short weekly devotional about prayer as an honest open communication to God. You can pray about anything and everything. The format of *Without Ceasing* lends itself for use by a discussion group as well as for individual study, covering a variety of topics and posing poignant questions to ponder. It seeks to engage readers in critical thinking about their faith and relationship with the Creator. It is written to lead them in worship of God, our Creator and Sustainer-to encourage people to always pray about every aspect of their lives. If you struggle in your communication with God, you may soon find that it isn't necessary to focus on exactly the right words to say. All it takes is a fleeting thought to the One who hears all and knows all.
