

You're Never Too Old to Have a Happy Childhood

Karen Griffith is a smart, independent, creative, passionate, forty seven year old, mountain-climbing grandma. Her business card reads Transformational Technician: Give me a week - Ill give you your life. Her new client, actor/director Sam Hudson, is in crisis and unable to continue working. The novel deals with genuine life-changing issues interspersed with quick-witted dialogue, physical comedy and vivid images of Southern Californias coastline. After several disastrous false starts, Sam and Karen come to acknowledge their true feelings for each other. A midnight escapade on Sams yacht proves the title of the book to be true.
