

Healing to Wholeness Healers Guide: The Process Coaching Practitioner Manual, Fourth Edition

The newly revised and expanded 242-page manual includes all of the information needed to learn and practice the skills of Process Coaching on your own. This manual can serve as a guide to healing yourself on all levels of being. It is chock full of perceptual tools and inner healing processes that you can use to get unstuck from any situation and inspire your self-healing to go more quickly and easily than you may have imagined possible. The Practitioner Manual contains all the frames, tools and processes necessary for anyone wanting to be their own practitioner, as well as those wanting to become a Process Coach.
