

FIFTY-TWO SECRETS FOR PRAYING WITH SCRIPTURE: a scriptural look at praying

Many people today feel a great hunger for a deeper experience of God through prayer. We are no longer satisfied with merely saying prayers; we want to enter a more personal relationship with God himself. This desire is a rare blessing in itself, for only God can plant such a hunger within us. A dimension of prayer which many Christians use as a step toward satisfying this hunger is the use of Scripture as a starting point for reflection and meditation. For as we listen prayerfully to God's word, we become more and more experientially aware of his loving, abiding presence. Often, however, it can be difficult to know where to begin when using the Bible in prayer. The purpose of this book is to help people begin to pray with Scripture by offering the actual reading for an entire year of daily prayer.
