

CHICKEN 30 WAYS

Love Chicken? Then here's the book for you! For years Bob Postal has been making family and friends' mouths water with an eye-popping smile by simply saying, "I'm making Chicken tonight." That's because Bob's simple cooking philosophy is to take the best ingredients, spices, wines, and in many cases, create Chicken dishes that you have never seen on any menu anywhere. Always a crowd pleaser, he is combining his recipes with his unique cooking tools and techniques. When you're invited to Bob's for dinner, the crowd always gathers in the kitchen for the food and the show. **IMPORTANT** Bob does not use flavor enhancers like MSG or, as Bob puts it, "If the food needs that stuff, give it to someone else, I only eat and serve REAL food, no sense excitors necessary!" Always being asked for his recipes, Bob would always say, "Ah, you'll read it in my book." *Chicken 30 Ways* not only reveals 30 of these previously secret recipes, but includes everything you'll need like the step-by-step techniques for shopping, preparing, cooking, serving, and a compilation of Bob's favorite tools and why they are such a valuable asset to the process. In addition, you'll love the stories of how each recipe came to be, as well as his Chicken Trivia facts, some of which are amazing. Buy this book, and cooking will become a joy instead of a burden, and as Bob says, "Always Cook With Love!"
