

Bodacious Breakfasts and More

Delighted by her beautiful breakfasts, B&B Guests at Shawnee Falls Studio, Gallery and Guesthouse requested owner/artist/innkeeper Gwendolyn Evans Caldwell write a cookbook; Bodacious Breakfasts is the result, with recipes and commentary reflecting the authors life spent in many locales and her flair for creative presentation. All creativity is similar, Gwendolyn says, whether I am painting in my studio or arranging flowers for the antique dining table in front of our 18th century hearth, or rolling out croissants in my kitchen. Thoughtful planning in solitude and inspired attention to detail lead the way to joyous breakfast gatherings and every table setting and recipe reflects a bit of ones life story. Few cookbooks devote themselves to just breakfast. But Gwendolyns cookbook recognizes the most important meal of the day deserves to be nothing short of bodaciouslike the 4-course breakfasts she serves at her B&B.
