

101 Things I Want to Say to My Son, Joshua, on Graduating College

This book is a heartfelt recitation of 101 things a father wants to say to his son on graduating college. It includes nurturing advice that every father gives as their child matures but advice that is all too often forgotten as time passes and the distance between parent and child or father and son grows. Laced with humor as well as poignant observations, the book is an easy read that brings back memories and fosters conversations. Its a book that every father and son should read together.
