

Mother Daughter Revolution

Mother Daughter Revolution is for women everywhere who have given up on part of themselves to survive in our culture and who wish to reclaim their dreams while ensuring their daughters never lose theirs. In the words of co-author Marie Wilson, president of the Ms. Foundation for Women, some parents think a girls loss of self-esteem at 12 is natural. Its not. It doesnt have to happen. This audio book shows how to preserve the pre-adolescent strength and honesty of young girls into a productive and self-assured adulthood.
