

Carcajou: Book One: Enter the Deacon

Centuries past, an ancient curse was released upon the lands through a failed exorcism. Though hunted by a group of Gods soldiers, the curse of death has survived. Now, modern day, this terror has come to the small town of Islip, Maine, and with it, a new warrior comes to hunt the demon of souls. But he brings with him a shroud of unknown. As death plagues the community, only a Priest armed with an ancient text, a Sheriff armed with love, and the Warrior Monk armed with his sword stand between Islip and The Carcajou.
