

The Last Prophet: Imminent End

JD Uticus is torn from his mundane lifestyle by a miraculous occurrence, his tragic death witnessed by millions of people and astounding resurrection, that thrusts him into the public eye, dubbed as the Last Prophet with a message from God about the end of the world as we know it. Having passed from the other side of eternity, JD holds the key to life's greatest mysteries including God's timetable for Armageddon and the identity of the Great Antichrist. JD attempts to faithfully carry out his divine calling to spread God's proclamation of warning and vigilance to an anxious world desperate for answers but the media badly misconstrues the message and there is evil lurking in high places that is determined to silence him. An incredible chain of events leads to a final showdown on national television and the truth is revealed in spite of those conspiring against JD; a truth that sparks bitter controversy and leads to death and mayhem ... but most importantly, hope. The Last Prophet is sure to provide more than just a harrowing ride for pure thrill seekers. Its fabric is woven with an erudite treatment of the most compelling questions facing mankind ... when will this world meet its imminent end and then, what lies beyond in the eternity that stretches out ahead?
