

A Few Broken Rules: Lane Parker Mysteries #5

Lane Parker's youngest son, Jamie, is about to play in the high school state football championship. But days before the game, Jamie is first on the scene when the starting quarterback gets sacked by an unknown assailant and then again when the football coach gets his head bashed in. Lane's daughter Jess comes home for Thanksgiving with a mega star friend in tow and DNA results that will shake the family. Lane's ex-husband calls to say he's marrying his boyfriend and asks for Lane's help in breaking the news to the Parker Kids. The Bellinis, Lucianos, Kellys, and of course, one of Ben's ex-girlfriends all come for Thanksgiving dinner. How will Ben and Lane keep the family safe this time? And how many rules will be broken in the process?
