

Parcells: A Football Life

Bill Parcells may be the most iconic football coach of our time. During his decades-long tenure as an NFL coach, he turned failing franchises into contenders. He led the ailing New York Giants to two Super Bowl victories, turned the New England Patriots into an NFL powerhouse, reinvigorated the New York Jets, brought the Dallas Cowboys back to life, and was most recently enshrined in the Pro Football Hall of Fame. Taking readers behind the scenes with one of the most influential and fascinating coaches the NFL has ever known, Parcells will take a look back at this coach's long, storied and influential career, offer a nuanced portrayal of the complex man behind the coach, and examine the inner workings of the NFL.
