

A Form of Godliness

Experience the Nightmare of a Perfect World>Welcome to America: where every school child is completely healthy; where an all-embracing church speaks only of unconditional love and acceptance; where diseases once thought beyond reach have been conquered; and where those who have lost loved ones receive soothing messages of hope.Yet beneath the surface of this seeming utopia lies a horrifying darkness.In a world long since reshaped in the wake of 9/11, Matthew Bridger, president of the United States, Bryson Lawe, a Secret Service agent, and Karen Foley, a Christian activist must face the atrocity the American dream has become. Life has lost its value, deception is epidemic, and in a nation of more than three million square miles, there is no room for God.As a Russian oil embargo jeopardizes American petroleum reserves, a massive terrorist strike forces the United States to withdraw its support of Israel. Finally given their long-awaited opening, enemies of the Jewish state attack, igniting a war that threatens to sweep the globe. Amid the escalating chaos, Bridger, Lawe and Foley race to uncover the truths that will secure their survivaland that of America itself.From the Trade Paperback edition.
