So, you are dreaming of blue turquoise beaches, pearl white sand and you day trading from the board of your new sail boat/yacht. The breeze is smooth and even and sailing is a pure pleasure. The wind is gently kissing your head and moving your hair. The day will soon be over and you are about to dock on exotic island in the Caribbean. Another boat is passing by and the captain is giving you a friendly hand wave. Bunch of dolphins are showing off at the bow and jumping and looping beautifully in the water. They are trying to keep up with the boat. The water is crystal clear and you can see the marine life and the spectrum of amazing colors all the way to the bottom of the riff. You throw in the lines to the dock master and retreat to a luxurious resort with full amenities and world class service. After a short break you are down at the local marina bar drinking on something that comes with small umbrella on top. And then you woke up Not only this was a beautiful exotic dream, sooo wonderful and sweet, you dont believe that its ended in such a cruel demanding reality. Youve been staring in the monitor for hours, your eyes got sooo swollen you could hand a coat on them. In a matter of fact you were so exhausted, falling asleep was a natural reaction of your body. See, you just realized your trade almost reached your target, but not quite, (just about at the point of your dram, where you got to the exquisite resort). After that the price met a hard FIB combined with a round number and a solid support/resistance level. The market reversed sharply on you and you are looking at a huge loss and your account is down 25%. If this scenario looks familiar dont despair. It seems like a short 4 years ago I was in your predicament if not even worse. I say 4 short years, but it did seem like ages passed since then. I can still see myself in clear desperation and depression. Just spent the last dollar to my name, on a

risky trade. Entered EUR/USD on a whim from a gurus article advice. A half hour later got a margin call from the broker and my account was disabled. I thought to myself thats it; I am done with this nonsense See, I was dreaming of becoming a big PLEYAHHHbut was drowning in debt and piling up the shelves in my room with the newest shockingly a slightly different copy of the previous system. See, the Forex education market is full of education sharks. This people are preying on newbies and aggressively targeting beginners. But, I am sick and tired; to see honest people like you, lose their hot cash to the cold broker games. So, I decided to put an end of this and level the plane ones and for all. Honestly I might get some of the big dogs really upset and even mad when they find out this info had leaked out. The book you are about to read reveals the highly guarded secrets of an underground Forex society. You can read all about this in Chapter 8 on Forex Tips and Tricks page 89. The harsh vivid reality is, that 95% percent of the Forex folks are losers and losing money hurts bad to the bone. However, if you are looking for kisses and huggies you wont find it in this book. But, on the opposite, you will get big lumps of hard challenging realities thrown in your lap to lean grow and prosper. So, you I agree; you can possibly amount to discover all the gold nuggets and rich nutty info you will find in this book on your own. Spend thousands of dollars on paid forums and exclusive mastermind groups. Blow to the wind several years of blind research, guess work and this task is absolutely possible to achieve. But please, take my hard learned lesson to heart; Buy this book now and save countless of hours staring at your monitor and save thousands of your hard earned money. Spend your time with your family and loved ones. Do the right thing. See you on the other side.
