

This is the absolutely guaranteed 100% mostly true story of Terry Bradshaw: the man who gained sports immortality as the first quarterback to win four Super Bowls -- and the man who later became Americas most popular sports broadcaster. **ITS ONLY A GAME** I had a real job once, begins a memoir as honest, unexpected, and downright hysterical as Bradshaw himself. From his humble beginnings in Shreveport, Louisiana, to his success as the centerpiece of the highest-rated football studio show in television history, Terry has always understood the importance of hard work. A veritable jack-of-all-trades, he has probably held more jobs than any other football Hall of Famer ever: pipeline worker, youth minister, professional singer, actor, television and radio talk show host, and now one of the nations most popular speakers. But lets not forget one of the reasons why so many people know and love Terry Bradshaw: he won four Super Bowls! In **Its Only A Game**, Terry brings the reader right into the huddle and describes the game from the bottom of a two-ton pile to the top of the sports world. Youll sit right on the fifty-yard line and watch as Terry earns the title worlds greatest benchwarmer. And youll also hear about the single greatest play in pro football -- the Immaculate Reception -- as he never saw it. **Its Only A Game** is much more than a collection of Terry Bradshaws favorite and funniest stories, it is the personal account of a great mans search for life before and after football...as only Terry could tell it.
