

Break Through I: Succeeding Against The Odds. This Is Your Birthing Season! (Break Through II Book 1)

Judahs Release. You can beat the odds! Many women are labeled barren because they have yet given birth, but what if nothing has been released into them to be birthed out. This is a bible based story of deception between two. Tamar was deceived by Judah and she took matters into her own hands. She knew it was a gift in him that needed to be deposited into her, so she can nurture and birth it. She has her own twelve step program that every woman needs to learn and apply it to her life. If you knew there was a child, vision, gift, or purpose that was lying dormant in your significant other that was supposed to be BIRTHED through you, would you put or do something about it?
