

Theresa in Wonderland

While in high school, Theresa Mallory is attacked by a bad girl named Lola with a rusty box cutter. Caught off guard, Theresa was slashed in the face with it. As blood gushed from her wounds, none of the bystanders did a thing to stop Lola, until Tina Pettiiford appeared and halted the attack. The wounds left Theresa mentally scarred and disfigured. Only Tina seemed to be un-phased by Therasas face, so the two became best friends. Each bore her own scars. Over time, no one understood Therasas unending loyalty to Tina, and Theresa didnt care. Tina saved her life and did what no one else would, so she would be a good friend and come to her rescue whenever she needed her to!

Unfortunately, it never occurred to Theresa that their friendship wasnt going both ways, because while she was being a great friend to Tina, Tina was setting her up to ruin her life, making her wish Lola wouldve finished what she started years ago. Find out how Tina goes from best friend to best foe?
