

(Almost) Foolproof Mead Making (Volume 1)

If you want a book to give you a starting point, this is it. The directions are concise and easy to follow with a basic recipe. - Bob Shaw, Amazon review Learn to brew an inexpensive, delicious, reliable, easy, slightly sweet mead that can be enjoyed right away. This book takes you through equipment needed and how you use it. Then well move on to ingredients and costs and includes money saving options. Finally well follow the recipe step by step with photos, from preparing the jugs to fermentation to bottling the finished product. This method of mead making really is (almost) fool-proof.
