

Diary of Open Letters

What dont kill you will only make you stronger. Newly Author Quantrella Guy-B. aka PRECIOUS, proves the saying is indeed true. Quantrella bares it all in her auto bio/ novel, Diary of Open Letters. From start to finish each page is an emotional roller coaster that will have you spinning. From the heart of this woman to yours this is a true narrative of faith, loyalty, deception, lies, love, lust, sex, pain and never giving up while walking through the shadows of death. No where is safe and no life is sound as the enemy seeks to divide, kill, steal and destroy. You will find yourself walking with her in the streets of Chopper City to facing a familiar beast in New Orleans East, to beyond. We all know nothing is easy about living amongst the curse of The Big Easy baby. Through trials and tribulations, enduring heartache after heartache God Is.....and love, heals.
