

The International Foundation Directory 2004 (Europa International Foundation Directory)

Containing detailed information on more than 2,300 institutions, this title includes international foundations, trusts, charitable and grant-making NGOs and other similar non-profit institutions. Features include:*

- Introductory essays such as: Foundations and the Third Sector in International Perspective; Foundations and Global Change and A Journey Without Borders - Researching and Applying to Foundations*
- Entries are arranged alphabetically by country with main foundation centres/co-ordinating bodies listed under a separate heading at the beginning of each chapter, followed by the charities, NGOs and foundations*
- Each entry contains the institutions name, postal, internet and e-mail addresses, telephone and fax numbers, together with full details about the foundation including, date of establishment, and details of the organizations function, activities, restrictions on grants, geographical area of activity, finances, publications and key executives*
- Foundations are fully indexed, alphabetically, by geographical region of activity and by their main areas of activity. A wide range of activities are covered, including aid to less developed countries, the environment, education, the arts and humanities, and medicine and health. To ensure that information is accurate, each organization is contacted to update their own details.
