

Assessment for Learning CD-ROM

Assessment for Learning includes worksheets containing Multi-choice and Sats questions, levelling sheets and referencing documents for each of years 7 8 and 9. Resources for all three years are to be sold on one disk. All material is accessed from a single interface and once a resource is chosen it can be used as it stands or exported into a relevant 3rd party program for editing and/ or saving. The content in its entirety will help teachers assess a pupils understanding of topics studied and referencing material will guide teachers and pupils to the relevant resources in Spectrum and Reviewing and Checking progress to ensure pupil understanding is achieved. Unique Levelling sheets will also help pupils understand why they are working at a particular level.
