

# Turning Debts Into Dollars: A Common Sense Guide to Extending Credit & Collecting Money

Do you want to develop a workable credit granting strategy, proper credit limits, or react quickly to slow-pay and no-pay accounts? Then, this book is for you. The author shows you how to identify signs that foreshadow collection problems and decide on alternative collection methods. Step-by-step advice is offered on credit granting strategies, collection techniques and alternative paths to recovery, such as negotiating, mediating, executing judgments in small claims court and the use of collection agencies and attorneys. Includes a skiptracing guide.
