

Back in the Saddle: A Novel (Double S Ranch)

The Prodigal Is Coming Home Its been a long time since Colt Stafford shrugged off his cowboy legacy for shiny Manhattan loafers and a promising career on Wall Street. But when stock market manipulations leave him financially strapped, the oldest son of legendary rancher Sam Stafford decides to return to the sprawling Double S ranch in Grays Glen, Washington. Hes broke, but not broken, and its time to check in with his ailing father, and get his legs back under him by climbing into the saddle again. He doesnt expect to come home to a stranger pointing a loaded gun at his chest a tough yet beautiful woman that Sam hired as the house manager. Colt senses theres more to Angelina Morales than meets the eye and hes determined to find out what shes hiding...and why. Colts return brings new challenges. Younger brother Nick has been Sams right-hand man at the ranch for years and isnt thrilled at having Colt insert himself into Double S affairs. And the ranchs contentious relationship with the citizens of Grays Glen asks all the Stafford men to examine their hearts about what it truly means to be a neighbor. And as Wall Street recovers, will Colt succumb to the call of the financial districts wealth and power or finally the courage to stay in the saddle for good?
