

Baseball: One Helluva Life

From the time he was nine years old, Dave Rosenfield has been consumed with baseball. Listening to the radio broadcast of the 1938 World Series sparked a life-long love affair with the game which has grown stronger nearly 75 years later. His love of baseball resulted in a journey that has seen him forge a career in professional baseball that has spanned nearly 60 years. The stories of Daves life in and around the game are priceless artifacts of one of the industrys true living legends. Hes done it all in the game. His stories prove it and hes the main character.
