

Innocence & Wonder: Baseball through the Eyes of Batboys

Giving new meaning to the phrase inside baseball, this oral history takes us inside major league dugouts and clubhouses to open doors and eyes to the closed world of the game. Based on more than 200 interviews with the men who, over more than six decades, wore the uniform with the word batboy on it, these first-hand memories reveal the private faces of storied heroes from Ty Cobb and Joe DiMaggio to George Brett and Barry Bonds, from less than noble Hall of Famers to esteemed utility infielders. As a whole, they provide a portrait of the values and unwritten code that structure and contain a unique American sub-culture.

Great Molinas by Neil David Isaacs Reviews, Discussion Innocence and wonder : baseball through the eyes of batboys / Neil D. Isaacs has sought out batboys from 75 seasons to tell their stories of life in the major
