

The Rest is Still Unwritten: How to Rewrite Your Story After Narcissistic Abuse (Detoxify Your Life Book 7)

A Step-By-Step Guide to Creating the Life You Want and Deserve After a Toxic Relationship Ends Have you recently ended a relationship with a narcissist, or are you considering doing so now? Or maybe youre the one whos been left in the lurch after yet another gaslighting episode that led to the devalue and discard phase. In any case, whether youre already gone or youre planning to leave, you wont need to wait until your relationship with a narcissistic abuser has ended to begin working on your abuse recovery. The Rest is Still Unwritten is the ultimate guide to help you stop just existing and start really living - and it offers you an entire plan to literally choose the rest of your life. Narcissistic abuse is sneaky - its invisible as far as most people can tell. And yet, its one of the most toxic, damaging kinds of abuse you can suffer - partially because it makes you feel so utterly alone - even if youre in a crowded room. The abuse you suffered at the hands of a narcissist cannot be downplayed: its among the most traumatic kind of toxic treatment you can receive. But theres good news! You arent really alone, and there IS hope for you - you can find happiness, peace and true success in every area of your life, even after youve been relentlessly abused by a toxic narcissist. There is a bright, beautiful and peaceful light on the other side. This book will serve as a starting point for you as you begin your own recovery from narcissistic abuse in your toxic relationship. Whether the abuse was mental or emotional, or both, you have been left with profound scars that might feel like theyll never heal. But with time, youll get there - and this life-changing book, written by a fellow narcissistic abuse survivor and certified life coach, will help you do it. Its time to reclaim your power. Are you ready? What are you waiting for? Scroll on up, get this book right now and start on your healing journey today. Inside
