

Necronomicon Coloring Book: Mandala Patterns and Chtulu Inspirational Adult Coloring Book (Adult Coloring Books)

The Necronomicon originated as a fictional book in the works of H.P. Lovecraft, and grew into an extended literary in-joke as other horror writers organically added to the Cthulhu mythos. According to Lovecraft, it was written by Abdul Alhazred, a mad Arab poet of the Yemen, in 950 A.D. in Damascus. In many of the stories written by Lovecraft and his successors, merely reading or possessing the Necronomicon leads to insanity ...or worse. Necronomicon Coloring Book is a method of stress relief and relaxation therapy based on chromotherapy or color healing. Number one enemy of every human being is stress, having no time to accomplish all your goals or worse solve your problems can be an intimidating way to let him in your life. New color therapy based on letting your mind loose is the newest method, approved by doctors and psychs all around the world.
