

Essentials of Healthcare Compliance (Health Care Admin)

Essentials of Health Care Compliance provides you with the knowledge and skills necessary to understand how a formal compliance program is implemented at a health care facility. Managing several staff members and keeping a health care practice compliant with federal, state, and local statutes and regulations is a challenging job. Real-world examples and the authors hands-on approach will help you visualize yourself on-the-job, using the knowledge you have gained from this book to meet these challenges.
