

Blaggards Moon

From the author of the highly praised Trophy Chase Saga comes this exciting swashbuckling tale of a pirate sentenced to die for the crime of mutiny. As he awaits his fate, this pirate (none other than the delightful Smith Delaney from the Trophy Chase Saga) ponders his life and the events that have brought him to this fate. In the process of remembering, and in grappling with mercy and justice as they have been played out in his life, a tale is spun, a tale of true hearts wronged, noble love gone awry, dark deeds done for the sake of gold, and sacrifices made for love. In the end, our pirate will come face to face with himself, with his own death, and with a God who promises grace where none is deserved. Readers of Christian fantasy will once again be swept away by Bryan Polivka's compelling storytelling abilities. As Publishers Weekly said of the author's first book, Readers will be flipping pages eagerly.
