

## Bloody Confused!: A Clueless American Sportswriter Seeks Solace in English Soccer

Chuck Culpepper was a veteran sports journalist edging toward burnout...then he went to London and discovered the high-octane, fanatical (and bloody confusing!) world of English soccer. After covering the American sports scene for 15 years, Chuck Culpepper suffered from a profound case of Common Sportswriter Malaise. He was fed up with self-righteous proclamations, steroid scandals, and the deluge of in-your-face PR that saturated the NFL, the NBA, and MLB. Then in 2006, he moved to London and discovered a new and baffling world?the renowned Premiership soccer league. Culpepper pledged his loyalty to Portsmouth, a gutsy, small-market team at the bottom of the standings. As he puts it, It was like childhood, with beer. Writing in the vein of perennial best sellers such as Fever Pitch and Among the Thugs, Chuck Culpepper brings penetrating insight to the vibrant landscape of English soccer?visiting such storied franchises as Manchester United, Chelsea, and Liverpool...and an equally celebrated assortment of pubs. Bloody Confused! will put a smile on the face of any sports fan who has ever questioned what makes us love sports in the first place.
