

#STRESS: Is It Love Or Relationship Codependency? How To Overcome Relationship Trust Issues And Emotional And Relationship Insecurity What happens when love turns toxic? So, you feel like your relationship is now on the rocks and you think it's toxic. What do you do now? It is essential that you make sure that your relationship won't go to waste. While you may feel like the problems won't have any solutions, you have to understand that the earlier you open up your eyes to the truth, the earlier the problems will be fixed. Sometimes, people in relationships can be "blinded" and forget to see what they need to see—and this book will help you realize the things that are going wrong in your relationship and how you can fix those problems so you won't be codependent! Or you think you have the best kind of relationship in the world? You spend so much time together and you forget the whole world around you. You think this isn't a problem? Think again. A Codependent Relationship It's good to spend time with your partner because quality time is essential in any kind of relationship. But sometimes, you forget the fine line between quality time and spending too much time together already, and this means that your relationship has already turned codependent. What do you do then? Stop Being Codependent! Being in each other's lives too much could be a problem and it could break your relationship instead of helping it grow. But, with the help of this book you'll be able to make sure that your relationship becomes healthy again and that you can enjoy time as a couple and on your own, too! You will understand how and why relationships go toxic and why codependency is a problem. With the help of this book, you will learn about how you can determine if your relationship is becoming toxic, why you have to be a friend to yourself, and so much more! Here Is A Preview Of What You Will Learn How to know if your love has already turned toxic. The signs of codependency and what you need to know about each of them. Reasons why you have to get to know yourself before anything else. Why being in a relationship should not stop you from pursuing your dreams. Why it's important not to be too sensitive and what you can do to stop being overly sensitive. Why you shouldn't try to fix things all the time, and how you can prevent yourself from doing this. Why and how you can treat each other the right way. Why it's important to take a time-out, and how you can enjoy time by yourself. ??? And much, much more! Anyone, regardless of their past or present situation, can succeed at making sure that their relationship does not turn toxic, and how you can prevent codependency from ruling and ruining your lives as a couple – Today!
