

In Rides Trouble: Black Knights, Inc., Book 2

Becky Rebel Reichert never actually goes looking for trouble. It just has a tendency to find her. Like the day Frank Knight showed up at her door, wanting to use her motorcycle shop as a cover for his elite special ops team. But Becky prides herself on being able to hang with the big boys - she can weld, drive, and shoot just as well as any of them. Munitions, missiles, and mayhem are Franks way of life. The last thing the ex-SEAL wants is for one brash blonde to come within 50 feet of anything that goes boom. Yet its just his rotten luck when she ends up in a hostage situation at sea. Come hell or high water, he will get her back - whether she says she needs him or not.
