

Breaking Generational Curses: Claiming Your Freedom

This book will open your eyes to the consequences of all our actions to our destinies and that of our children; even those yet unborn. The subject of curses has long been neglected, and we found it necessary to expose them. We begin by going into the scriptures to know exactly what God has to say about them, how they operate, and how we can be free from them completely. Generational curses are so important that God included them in the table of the Ten Commandments. It is a fact that many, including Christians today, are suffering under the consequences of disobeying Gods commandments and expectations. So many are bound by the enemy with unseen and unidentifiable instruments of bondage. In this study, we will be taught how to break these chains which originate from the enemy. We explore deeper into areas like idolatry (Including Halloween), immorality, treachery, stealing, murder, etc. I believe that as you read this book and explore its truths, there will be a stirring in you to examine your self and make deliberate efforts to live a holy life, if not for your self, at least for the sake of your children and the generations yet unborn.

May God Bless you as you read this book and I ask that you read it with an open heart and mind that your understanding might be sharpened to what is really around you.
