

Agents of Babylon: What the Prophecies of Daniel Tell Us About the End of Days

In his number-one New York Times best seller *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, *Agents of Babylon*, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. Written in the same highly engaging half dramatization, half Bible teaching format as *Agents of the Apocalypse*, *Agents of Babylon* is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of scripture that is sure to bring ancient prophecy to light like never before.
