

George Carlin's been working the crowd since the counterculture became the over-the-counter culture around 1967 or so; his new book, *Brain Droppings*, surfs on three decades of touring-in-support. It's the purest version of book-as-candy that one could imagine, serving up humor in convenient, bite-sized packages. Snack on chewy one-liners like *A meltdown sounds like fun*. Like some kind of cheese sandwich. Or: If you can't beat them, arrange to have them beaten. *Brain Droppings* also contains highlights from Carlin's concert repertoire, and that more than makes up for the occasional spray of pointless nihilism. Tell us, George, what exactly were you going for with *Kill your pet and Satan is cool* Quick--hide the paper before Daddy sees it! Still, if you're a fan of this sarcastic semanticist who's given *Bad Attitude* not necessarily a good name, but at least a comfy bank account, by all means rush out and snag *Brain Droppings*. Carlin's book melts in your mind, not in your hand.

The Autobiography of Baseball: The Inside Story from the Stars Who Played the Game, The Cocktail Primer: All You Need to Know to Make the Perfect Drink, What Do You Want from Me?: Learning to Get Along with In-Laws, Inside: A Public and Private Life, Pension Fund Capitalism (Oxford Geographical and Environmental Studies Series), Prayer Warriors Guild (On Bended Knee): A Personal Prayer Guide, Black Boxes: Event Data Recorder Rulemaking for Automobiles,
