

A complete set of maps and town plans in English, Spanish, and French make up this indispensable guidebook for spiritual seekers and travelers wishing to walk the way of Saint James. Covering the sacred route from St. Jean Pied de Port to Santiago, including the Finisterre extension for modern-day pilgrims who wish to reach the ocean, this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Revised and updated to offer the most recent information, this exploration is light enough to carry while walking long distances each day. The maps show the location of all pilgrim hostels en route, the distances between villages, and points of interest, as well as counter guides, alternative routes, and accommodations.
