

The great white south: or with Scott in the Antarctic,

This classic book contains Pontings well-written and witty account of Captain Scotts final Antarctic expedition of 1910-12. Fully detailed and with many of Pontings own photographs, this moving account will make an excellent addition to the bookshelf of any admirer of Captain Scott, or anyone with an interest in travel and adventure. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
