

# Certified Development Professional: First Year Training Manual

Over 50,000 people have learned the principles of relational development from Jerry Twombly. Jerry has traveled the globe sharing these common-sense principles to organizational leaders, boards, and volunteers enabling them to raise billions. In 1993 a professional development certification program was launched to train people in how to implement core relational principles into every fabric of organizational life. This book is the first-year manual of the program that has helped multiplied thousands of organizations enhance their fund-raising and fulfill their organizational vision. Its a must read for anyone committed to making a difference in whatever role they fulfill in life. Learn more at [JerryTwombly.com](http://JerryTwombly.com)
