Get Your Life Back in Six Months Eliminate Credit Card Debt: The consumers debt elimination, lawsuit defensive, & credit repair guide

This book unmasks mans worst enemy, the card industry, and consumers of the danger lurking in their wallets. For those in overwhelming credit card debt, the book shows how they can regain their lives back, through complete credit card debt elimination, within six months. It also provides comprehensive information on how to defeat collection companies, their frivolous lawsuits, and to reverse collection company judgments. In the end, the consumer is shown how to legally repair their credit report, given them a fresh new start in life. The last chapters shows how to stay debt free and also show how to quickly eliminate others debts, such as a mortgage, without feeling financial hardship.
