

Christianity Beyond Belief

What if you knew you were going to LIVE tomorrow? You've prayed the sinners prayer. You know that if you die tonight, you'll go to heaven. But Todd Hunter believes Christianity is a life, not merely a secure death. Which means that eternal life - abundant life - begins on earth, as soon as you become a follower of Jesus. This audiobook can lead you into this abundant way of living. Drawing from his leadership and ministry experience as president of Alpha USA and Vineyard Churches USA and from his own life experiences as an ordinary Christian, Hunter calls us to reframe our salvation and discipleship. He believes that God intends us to become cooperative friends of Jesus, living in creative goodness for the sake of others through the power of the Holy Spirit.
