

Coming Home: A devotional journal...for those who serve and those who wait

Coming Home is a Journal and Devotional designed to offer inspirational messages for armed service personnel and their families. Each page format contains a Scriptural quotation, devotion, and space for journaling thoughts and prayers. The quotes and devotions offer thoughts to carry you through the day. The journal will also include original letters from previous wars, cadences used by the military and a section to journal your thoughts and best wishes for your family and friends as you wait to be reunited.
