

The Complete Sherlock Holmes (Classics Fiction) (Complete Classics)

More than a century since his conception, Sherlock Holmes remains the epitome of the private detective. In this remarkable collection, here are all the 60 stories - 56 short stories and four longer novels - which relate the work and skill of the legendary Holmes. In a remarkable tour de force, David Timson reads them all, arguably one of the greatest voice achievements in recorded history. Each story is presented with classical music, making this special 60 CD set one of the most collectible audiobooks ever released. It also comes with a 64 page booklet with comprehensive notes to the background and content of each of the stories. The set also contains a new Sherlock Holmes story, specially written by David Timson to celebrate the completion of the project.
