

The Joy of Fundraising

The Joy of Fundraising will teach you to shift your thinking, focus, and actions to an abundance-based approach that attracts long-term donors who are passionate about your mission. Challenging long-held assumptions of scarcity-based fundraising, The Joy of Fundraising gives you a simple, powerful recipe for long-term fundraising success. Author Terry Axelrod, fundraising expert and founder of Benevon (formerly Raising More Money), condenses her years of teaching into powerful gems of fundraising advice that can benefit anyone with a cause to support. Rather than suffering on the annual fundraising treadmill, you will learn the true joy of fundraising allowing your donors to contribute to a cause they believe in and generate sustainable funding.
