

Cook Wild: Year-Round Cooking on an Open Fire

Everything tastes better in the open air, around a fire. Here are 100 recipes to inspire you to venture outdoors and eat wild all year round. From the simple dishes that sustained our ancestors to feasts fit for modern foodies, the book draws from a rich repertoire of traditional cooking methods and recipes that have been passed down to this day. Whether its Lebanese flatbread, hot smoked trout, chicken wrapped in clay, or waffles, chocolate bananas and Transylvanian tree cakes, all are simple and dont need special tools. The author has years of experience of cooking outdoors and the recipes, arranged by season, are easy to follow for both beginners and more seasoned campfire chefs. With clear instructions on selecting wood and making a fire, a range of ovens and cooking methods and even suggestions for wild ingredients to forage, this is a book for anyone who wants to enjoy the thrill of cooking outdoors, with woodsmoke, companionship and fresh air to sharpen the appetite.
