

Small Business Toolkit - Marketing for the Self-Employed

If you reach more customers, you reap more profits. But how can you do this effectively when you run your own show? Teaching entrepreneurs how to develop ongoing marketing strategies is the focus of Marketing for the Self-Employed. Author Martin Edic, a successful self-employed small business owner for over sixteen years, writes from his own experience when he advises that the most important aspect of marketing is a marketing attitude. Readers will learn all about this and much more, including: Setting goals Creating a marketing plan Producing effective materials Selling yourself Time management

This book is organized into three main sections that are designed to guide the small business owner to marketing success. Sections one and two show business owners how to develop their marketing plan and how to best utilize the tools of the trade. Section three covers the issues of time and money, including such topics as competition and pricing, profits and profit centers, and follow-up and referral. Whether consultant, painter, editor, or mechanic, this simple straightforward, and easy-to-follow guide will enable any business owner to make sound marketing decisions from the very beginning. About the Author Martin Edic is a marketing consultant and small business owner with sixteen years of marketing experience. He is the author of Small Business Toolkit: Sales for the Self-Employed (the companion to this book, also from Prima).
