

Copy Paste and Bang!

Copy, Paste and Bang! by Beaver Phillips is the definitive guide for men who want to learn how to use online dating websites to meet women for casual sex. If its true love youre seeking, go search Oprahs book club and stay away from this one. Copy, Paste & Bang! was written for one simple reason: To help regular, run-of-the-mill guys meet women utilizing online dating sites and to get you laid. Beaver Phillips is a 15 year veteran of the online dating scene. Over the years he has refined a system which has allowed him to bang a steady stream of women met online. He is considered one of the leading experts in online dating advice for men.
