

Create Your Own ETF Hedge Fund: A Do-It-Yourself ETF Strategy for Private Wealth Management

Many investors are intrigued by the profit potential of today's hedge funds, but most feel like they're on the outside looking in, due to the high investment requirements and complexity of these vehicles. Create Your Own ETF Hedge Fund allows you to break down these barriers and effectively operate within this environment. By focusing on the essential approaches of global macro long/short and aggressive growth, this book will help you create a fund that can take advantage of both bullish and bearish conditions across the globe.
