

Crime Signals: How to Spot a Criminal Before You Become a Victim

Crime Signals helps you stop crime before it starts. David Givens, one of the nations foremost experts in nonverbal communication, offers a fascinating and instructive look at crime, and into the tell-tale signs that give away all offenders?if youre trained to see them.

From the signals of a swindler to the warning signs that experts use to help thwart terrorism and violent crime, this book breaks down a criminals body language into clear recognizable symbols: What does it mean if an assailants face turns suddenly pale? Is a pat on the arm from a salesman a sign of sincerity, or an indication that youre about to get scammed? Does a liar make fewer hand gestures while theyre lying?or more? If an aggressor shrugs his shoulders, should you be afraid?This is the first book to offer a comprehensive guide to the body language of criminals. With amazing stories and instructive steps, it will change the way you view the world.
