

Sisters in the Name of Love

Sisters in the Name of Love is the story of three very different women facing an age old issue. Candice is stuck in a loveless marriage. Michelle is married to a man who is cheating on her. And Patricia is a single mother wishing and praying that she could be married. These three women will need to band together in the strength of God to overcome their hurts and get the healing that they need. Sisters in the Name of Love has something for everybody but most importantly it answers the question that people have been asking for centuries. Where do broken hearts go? They should be going to Christ!
